Statement re Covid-19

Further to the UK Government announcement on Monday 23rd , we have reviewed our operating situation and taken further steps to mitigate the current risk.

The factory will continue to operate whilst there are continuing requirements for the Healthcare, food production and distribution sectors.

Here are steps we are taking:

1. Only staff directly involved with manufacture and distribution attend our factory.
2. All office staff other than manufacturing supervisory / planning to work from home
3. Those remaining at the factory strictly observe the Social Distancing guidelines.
4. Delivery drivers only to exit cabs to open doors / curtains and once again to close. They must remain in the cab whilst the customer's staff offload.

Meanwhile our office staff will continue to service your enquiries as per usual whilst working remotely.

Price enquiries to estimating@dunhamswashrooms.com

All other enquiries to info@dunhamswashrooms.com

Meanwhile we wish you the very best at this difficult time.

Stay Safe!
