PL94MBS

Brushed Stainless
Turboforce® Junior PLUS Hand Dryer

Product Features:

- Dry time (in-house tested): 18 Seconds
- Cost per 1000 dries: 30p - 69p (95.4 - 98% saving against paper towels)
- Guarantee: 3 Years
- Rated Power: 0.5 kW - 1.15 kW | 2.5 - 5.75 Wh per dry (Intelligent heating system)
- Compact with low noise output
- Internal UV protection - self cleaning. Has debris catching filters
- Robust with quality manufacture
- Fast drying time
- Low energy use
- Quality stainless steel construction
- Low noise
- Available in stainless satin, polished chrome and ceramic white
- IPX1

The Turboforce® Junior PLUS provides an outstanding performance, low noise level and smart attributes that give a satisfying experience for all users for a budget price. High energy efficiency gives low running costs and the unit is supported by an unusually lengthy 3-year guarantee! Furthermore, its small wall footprint means it fits nicely into tight washrooms. Customers have found this unit to last for years in locations that receive up 100 uses a day. An internal UV light cleans the inside of the product and it has 2 particle catching filters, decreasing the growth of mould and protecting against airborne germs.

Energy Consumption: Electrical Supply Voltage - 220-240 Volts

Electrical Supply Frequency - 50/60 Hz

Standby Power Consumption - <2 Watts

Performance: Expected Motor Life - 600 Hours

Dry Time (max setting) - 18 Seconds

Universal Brush Motor - Motor Speed (max setting) 20000 RPM

Air Speed (max setting) - 134 MPH

Air Volume (max setting) - 57.2 CFM

Operating Temperature Range - 24-40°C

Heater Element Power - 650 Watts

Height: 260mm Width: 180mm Depth: 157mm Weight: 3Kg
